Article 23-Land

Canon 790

Land is a fictional term used to define the solid terrestrial surface of a planet based rather than any predominantly liquid surface such as a sea or gaseous structure such as an atmosphere or air. Land is also used as a term synonymous with all the solid terrestrial surface of planet Earth.

Canon 791

Land is physical matter within space existing in accordance with Natural Law as defined by these canons. Therefore as an object, it cannot be “owned” by a fiction such as an owner as fictions can only own other fictions.

Canon 792

Except for the Divine Creator, by Divine Law and Natural Law physical matter within space cannot “own” one another only themselves. Therefore, the Divine Creator, also known as Unique Collective Awareness, is the only true “owner” of all Land in the Universe, including the planet Earth expressed into Divine Trust.

Canon 793

In order to enable the lawful “ownership” of Land, a valid fictional form derived from the objective existence of Land is required. This is accomplished by undertaking a valid survey of the Land and creating a description of its metes and bounds and then connected in a succession of surveys to the ultimate survey being the rules and mind of the Divine Creator. When this exists, a valid Location may be proven to exist, being a fictional form of Land capable of being owned.

Canon 794

When a particular Location owing its existence to the first rightful claim of ownership of the Divine Creator to all Land is lawfully conveyed into a True Trust this is called Divine Right of Use, or Divinity representing the highest Right of Use above all other claims of right and title. When some or all of these Rights are then conveyed to a Superior Trust this is known as Realty, or Real Property being first right of use of Land and immovables by Divine Right (Divinity).

Canon 795

In accordance with the will of the Divine Creator, the sacred covenant Pactum De Singularis Caelum and the seven (7) sacred pronouncements of Ucadia, the Divine rights of ownership and all Land surveyed as valid Locations has been expressed into True Trusts administered by the Society of One Heaven for the benefit of all men, women, higher order beings, animals and life forms living now and forever more.

Canon 796

In accordance with these canons, the sacred covenant Pactum De Singularis Caelum and the seven (7) sacred pronouncements of Ucadia, any and all claims of Land ownership, conveyance or Trusts that are not in accord with these canons and the will of the Divine Creator are henceforth null, void from the beginning.

Article 73-Occupation

Canon 1062

Occupation is the act, process and intentional condition of possessing and existing at a physical place.

Canon 1063

A person cannot occupy a place when they have no intention of being there, or wishing to occupy it. The proof of intention of Occupation is the presentment of a valid Claim.

Canon 1064

A place occupied by force affords no Rights and all Obligations to the Occupier.

Canon 1065

Occupation does not imply any Rights towards ownership unless peaceful and accompanied by a valid Claim.

Article 79-Realty

Canon 1106

Realty or Real Property represents the highest Right of Use above all other claims of right and title. It is formed when original Form owing its existence to the rightful claim of ownership of the Divine Creator is lawfully conveyed into a Superior Trust.

Canon 1107

Realty can only exist in one Superior Trust at any time and is dependent upon the existence of an associated True Trust holding true objects and concepts as well as an associated Divine Trust. Realty can never exist in an Inferior Trust.

Canon 1108

In accordance with the will of the Divine Creator, the sacred covenant Pactum De Singularis Caelum and the seven (7) sacred pronouncements of Ucadia, all Realty is already lawfully expressed into Superior Trusts administered by Ucadian Societies for the benefit of all Persons.

Canon 1109

A member of One Heaven, in possession of their unique membership number is lawfully permitted to express into existence a Superior Trust for the temporary administration of Realty providing the following specific words are followed and a permanent Superior Trust is registered with One Heaven within ninety (90) days. The specific words permitted to create a temporary Superior Trust are: We, the Divine Immortal Spirit, expressed in Trust to the Living Flesh known as [first name] of the Clann [clan name].

Canon 1110

Excluding deliberate obstruction, the failure of a member to register a Superior Trust with One Heaven within ninety (90) days of expressing its creation shall cause the Trust to be closed and any claimed Realty to be lawfully returned to the Society, with the member accepting full liability for any debts, obligations held by the closed Trust.

Canon 1111

A man or woman who has not redeemed their member number of One Heaven is not permitted to express into existence a Superior Trust. Such an expression whether orally or written is automatically null and void from the beginning.

Canon 1112

Any man or woman who unlawfully attempts to create one or more Superior Trusts automatically assumes the full liability, debts and obligations of all associated Persons as sole surety.

Canon 1113

In accordance with these canons, the sacred covenant Pactum De Singularis Caelum and the seven (7) sacred pronouncements of Ucadia, any and all claims of Realty (Real Property) that are not in accord with these canons and the will of the Divine Creator are henceforth null, void from the beginning.

Article 80-Property

Canon 1114

Property is any fictional Right of Use expressed into a Trust relationship with other Forms whereby there exists a claimed Form of Ownership, Form of Trustee(s) administering the Form as Property and Forms of Beneficiaries. Hence Property is the Rights of an Owner to Use the Form, never ownership of the object or concept itself.

Canon 1115

Property is equivalent to Rights of Use of an Object or Concept, not Rights of Ownership of an Object or Concept.

Canon 1116

Realty or Real Property can only exist in one Superior Trust at any one time. However, lesser forms of Property derived from Real Property in Superior Trust may be conveyed and exchanged.

Canon 1117

Property cannot exist in Reality without an Owner, at least one Trustee and at least one Beneficiary. Form not expressed into Trust by some lawful conveyance does not exist in Reality as Property.

Canon 1118

All valid Property Rights are derived from the Trusts expressed in accordance with the property rights promulgated through the original Ucadian Pronouncements and sacred Covenant Pactum De Singularis Caelum.

Canon 1119

The Ownership Rights of Property cannot exceed the Ownership Rights of the original Owner that conveyed the Form into the first Trust in the beginning.

Canon 1120

By definition, any claimed property ownership that contravenes the seven (7) Ucadian Pronouncements and sacred Covenant Pactum De Singularis Caelum is therefore void from the beginning.

Canon 1121

Any person who claims ultimate possession and ownership of property that contravenes these canons assumes the full liability of any and all associated debts, obligations and injury associated with this property, even if others have consented as surety.

Canon 1122

When anyone references, writes or speaks of "Property Laws", or "Laws of Property", it shall mean these canons and no other.
